SRI conducts its business with the highest possible degree of safety and efficiency. Because of this, the Company requires all applicants receiving a conditional job offer for employment to undergo blood and/or urinalysis screening for drug use. In addition, all employees of the Company are subject to blood tests and/or urinalysis screening for drug use.

I understand and agree that if I am a post-offer applicant, I will receive a drug/alcohol screening test.

I authorize the testing laboratory to release my results of the tests to the Company and any medical review officer designated by the Company.
